To The Windham Select Board:

Maureen Bell, Chair; Kord Scott, Selectman; Peter Chamberlain, Selectman

As the organizer of the petition to change from a three member to a five member Select Board, which petition was submitted to the Select Board on the 7th of October 2019; I wish to withdraw said petition at this time and resubmit it to be voted upon at the Annual Town Meeting (which was our original intent) to be held on March 6th 2020. We understand that should the petition pass, the additional board members will be elected during that same Annual meeting.

Respectfully,

Alan Partridge

Resident of Windham
