

# Windham News & Notes Annual Subscription Drive

The next issue of the *Windham News & Notes* begins our **19th** year of bi-monthly publication. We have an all-volunteer staff and depend on your annual support to cover the cost of production and mailing. Like public radio and public TV, we ask you to contribute whatever you can, with the average contribution being about \$15. Your support will ensure that you and others receive Windham's own news source for another year. Once again, due to the COVID-19 pandemic, the Windham Community Organization needs your support more than ever, as the future of our fundraising activities for 2021 is still unclear. We ask you to be as generous as you can. Additional contributions, over and above what are needed to produce and mail the newsletter, always go toward helping our neighbors in times of need. Windham Community Organization is a 501(C)3, ID#41-2201889.
