

# 7 STEPS TO A WARMER HOME

- #1. **INQUIRE** by calling/emailing your **local coordinator**
- #2. **GET MEASURED** by our volunteers who will visit, assess and measure your windows, and give you a quote
- #3. **SIGN UP** for shifts at a **community workshop** held from September to January across the state
- #4. **PAY** for your inserts (special low-income pricing available upon request)
- #5. **PARTICIPATE** in the community workshop where the inserts are built
- #6. **INSTALL** your inserts in your windows
- #7. **ENJOY** a warmer home and lower heating bills!
