The undersigned registered voters of the Town of Windham hereby petition the town to call a special meeting to vote on the questions below in an effort to improve emergency medical/trauma response times and service to our residents and visitors:

- 1. Shall the Town of Windham, Vermont elect to have our Emergency Medical Services (EMS) switch from Londonderry Voluntary Rescue Service, of Londonderry, VT to Rescue Inc. of West Townshend, VT?
- 2. Shall the Town of Windham, Vermont elect to geographically divide the town solely for purposes of EMS responding services, say from the Meeting House or Town Garage (exact line to be determined by EMS dispatching services) and contract with separate organizations that for primary response south receives services via Rescue Inc. and north receives services via Londonderry Rescue?
- 3. Shall the Town of Windham, Vermont elect to demand change that Rescue Inc. and Londonderry Rescue collaborate and provide mutual aid to the town of Windham when the primary contracted service (which ever service that is) is either unavailable or anticipate a delay in a prompt response?
