**Committee Reports:**

Good Neighbors

Kathy Jungermann reviewed with us the dump pass and permits to be given to whomever is in need. The following are the details of the procedure for the dump pass and punch card program.:

WCO PROCEDURES FOR DUMP PERMIT AND PUNCH CARD PROGRAM

These procedures will be in place to distribute funds from the Windham Community Organization to the Londonderry Transfer Station for the purpose of purchasing a Dump Permit (\$10.00) and a Punch Card (\$10.00) for a Windham resident who has requested assistance from the Good Neighbors Committee.

As this is a pilot program to gauge community interest, 1 permit/pass will be issued per request.

- The initial offer was made in the July/August issue of Windham News & Notes. Members of the Good Neighbors Committee, designated in the offer, will receive the request and determine that it is a Windham resident.
- The WCO Good Neighbor's Committee Intake Form will be completed by the committee and assigned a case number to maintain confidentiality.
- Purchase will be made at the Windham Town Office and Cindy Kehoe will be given the receipt and requested to reimburse the WCO member.
- Permit/Pass will be delivered to Windham resident.
